## Outstanding diploma success 2016 UWA entry

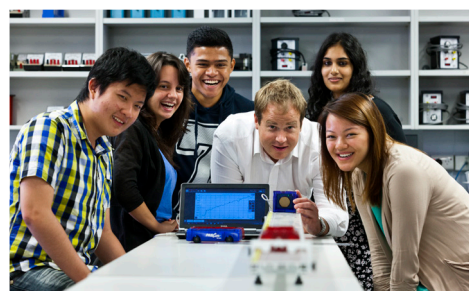

98% of students received an offer to UWA.

The most popular undergraduate major in the Bachelor of Commerce was the double major in Accounting and Finance at 35%.

80% of the Diploma of Science graduates chose Engineering Science as a major.

These programs provide extra support and upon completion can be followed by direct entry to undergraduate year two of a Bachelor of Science or Bachelor of Commerce at UWA. Students may enter into the second year of a UWA Bachelor degree\* with one year advanced standing (academic credit) or eight units (48 credit points) towards the 24 units (144 credit points) course total.

\*Students who fail the same subject twice may not be eligible to progress to UWA.
